Triple Slide with Swing
VVZ-A010-15-T

VVZ-A010-15-T Triple Slide with Swing

Three certified maintenance-free A-frame towers. Two feature a ladder climber and a slide, one features a rope net and a slide, and they are connected by two double hanging chain swings. One swing has two classic seats, the other has two baby seats. The baby seat includes a bar between the child's legs that prevents sliding or falling out, while also providing back support. The steel structure is weather-resistant thanks to galvanising and a durable powder-coated finish. The HPL material and HDPE plastic used are chemically resistant, UV-resistant, colorfast, non-toxic, recyclable, and shatter-resistant. This eliminates the risk of injury to children from sharp edges or splinters.

Specifications

The Triple Slide with Swing VVZ-A010-15-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	13.30 x 3.40 x 2.50 m (L x W x H)
Max. Fall Height:	up to 1.50 m
Safety Surfacing Area:	16.60 x 8.50 m (according to STN EN 1176-1)
Materials:	Galvanised and powder-coated steel, HPL, LDPE, rubber, stainless steel fasteners and chains
