Double balance beam – Alphabet and numbers with a flower
VVZ-BAL002-2-T

VVZ-BAL002-2-T Double balance beam – Alphabet and numbers with a flower

The double balance beam is a low-maintenance play element designed to develop balance and movement coordination. Two curved beams featuring the alphabet and numbers, complemented by a central flower-shaped step, create a playful balancing route that encourages children to move along the element while maintaining stability. Playing on the balance beam naturally supports agility, confidence in movement and overall physical fitness, while the alphabet and numbers also add an educational element to play. The supporting structure is made of hot-dip galvanised steel with a durable surface finish. The HPL walking surfaces provide a strong and durable surface, while stainless-steel fasteners contribute to a long service life in outdoor environments.

Specifications

The Double balance beam – Alphabet and numbers with a flower VVZ-BAL002-2-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	4.50 x 0.80 x 0.30 m (L x W x H)
Max. Fall Height:	up to 0.99 m
Safety Surfacing Area:	7.60 x 3.90 m (according to STN EN 1176-1)
Materials:	Galvanised and powder-coated steel, HPL, stainless steel fasteners
Weight:	60 kg
