Educational panel – Numbers
VVZ-EDU002-T

VVZ-EDU002-T Educational panel – Numbers

Themed vehicle – Educational panel – Numbers serves for learning basic numbers, tens, multiples, or Roman numerals in a playful way. Recognising numbers and their shapes is important not only for subsequent counting but also for developing logical thinking and the ability to express the quantity of objects. The steel framework is weather-resistant thanks to galvanisation and powder coating. All panels are made of HPL material with UV protection, which is colourfast, non-toxic, recyclable, and shatterproof. This eliminates the risk of injury to children from sharp edges or fragments. All fasteners are made of stainless steel and covered with plastic caps to increase durability and safety.

Specifications

The Educational panel – Numbers VVZ-EDU002-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	0.90 x 0.05 x 1.30 m (L x W x H)
Materials:	HPL, Galvanised and powder-coated steel, stainless steel fasteners
Weight:	20 kg
