Small cableway with pulley
VVZ-L001-1-T

VVZ-L001-1-T Small cableway with pulley

The small cableway with pulley offers children a dynamic play experience, travelling from one end of the cable track to the other. During the ride, the user sits on a moving seat with their legs suspended in the air, creating an exciting feeling of “flying”. The cableway mechanism provides a smooth ride along the steel cable and adds a distinctive moving play element to the playground. The durable steel structure with a high-quality surface finish and stainless-steel fasteners is designed for long-term outdoor use.

Specifications

The Small cableway with pulley VVZ-L001-1-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	17.60 x 3.40 x 3.70 m (L x W x H)
Max. Fall Height:	up to 0.99 m
Safety Surfacing Area:	19.00 x 4.00 m (according to STN EN 1176-1)
Materials:	Galvanised and powder-coated steel, polypropylene rope, rubber, stainless steel fasteners
Weight:	320 kg
