Double-track cableway with pulley
VVZ-L002-T

VVZ-L002-T Double-track cableway with pulley

The double-track cableway with pulley provides a dynamic play experience for two users riding simultaneously. Two parallel cable tracks allow children to ride side by side, naturally encouraging shared play and friendly races. During the ride, each user sits on a moving seat with their legs suspended in the air, enhancing the exciting feeling of “flying”. The boarding platforms provide a comfortable starting point, while the durable steel structure with a high-quality surface finish and stainless-steel fasteners is designed for long-term outdoor use.

Specifications

The Double-track cableway with pulley VVZ-L002-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	26.60 x 6.50 x 3.80 m (L x W x H)
Max. Fall Height:	up to 1.50 m
Safety Surfacing Area:	28.00 x 7.10 m (according to STN EN 1176-1)
Materials:	Galvanised and powder-coated steel, HPL, polypropylene rope, rubber, stainless steel fasteners
Weight:	740 kg
