Single-track cableway with pulley
VVZ-L003-T

VVZ-L003-T Single-track cableway with pulley

The single-track cableway with pulley offers children a dynamic play experience, travelling from one end of the cable track to the other. During the ride, the user sits on a moving seat with their legs suspended in the air, creating an exciting feeling of “flying”. The boarding platform provides a comfortable starting point, while the cableway mechanism ensures smooth movement along the steel cable. The durable steel structure with a high-quality surface finish and stainless-steel fasteners is designed for long-term outdoor use.

Specifications

The Single-track cableway with pulley VVZ-L003-T is certified according to STN EN 1176

Age Group:	3-14 years
Product Dimensions:	24.00 x 1.00 x 3.80 m (L x W x H)
Max. Fall Height:	up to 1.50 m
Safety Surfacing Area:	31.00 x 4.00 m (according to STN EN 1176-1)
Materials:	Galvanised and powder-coated steel, HPL, polypropylene rope, rubber, stainless steel fasteners
Weight:	300 kg
