VVZ-PD002-T Sandpit 3 × 3 m

This maintenance-free sandpit with a surface area of 3 × 3 metres features a 10 mm thick perimeter HPL strip to prevent sand from spilling outside. Various geometric shapes are displayed on the strip. Four triangle-shaped seats are located in the corners, and rectangle-shaped seats are in the middle of the sides, suitable for both children and parents. The sandbox structure is made of galvanised and powder-coated steel. It is designed with long service life and safety in mind. The sandbox is supplied without sand as standard.
