VVZ-PD006-T Educational playhouse with Tic-Tac-Toe, abacus and drawing board

This educational playhouse offers interactive games and learning activities for a group of children. The playhouse, featuring a pitched roof with a wood grain effect, is enhanced with a drawing board, HPL Tic-Tac-Toe, a stainless-steel abacus counting up to 100, and a double-sided educational panel. This panel features the Latin and Braille alphabets on one side and Arabic and Roman numerals on the other. The playhouse structure is made of galvanised and powder-coated steel. All panels are made of HPL material with UV protection, which is colourfast, non-toxic, and shatterproof. All fasteners are made of stainless steel and covered with plastic caps.
