VVZ-PD013-3-T Small educational playhouse with drawing board and abacus

The small educational playhouse with a pitched roof offers space for play and learning for groups of children. The playhouse is complemented by a drawing board and a small abacus. The playhouse structure is made of galvanised and powder-coated steel. All panels are made of HPL material with UV protection, which is colourfast, non-toxic, and shatterproof. All fasteners are made of stainless steel and covered with plastic caps.
