Small educational playhouse with large abacus VVZ-PD013-5-T

VVZ-PD013-5-T Small educational playhouse with large abacus

The small educational playhouse with a pitched roof combines fun play elements with educational activities for toddlers. The playhouse is complemented by a large abacus. The playhouse structure is made of galvanised and powder-coated steel. All panels are made of HPL material with UV protection, which is colourfast, non-toxic, and shatterproof. All fasteners are made of stainless steel and covered with plastic caps.
