Square trampoline 1.5/1.0m
VVZ-TR15-T

VVZ-TR15-T Square trampoline 1.5/1.0m

The square in-ground trampoline has overall dimensions of 1.5 × 1.5m and a 1.0 × 1.0m jumping surface and is designed for children from 2 years of age. The jumping membrane is made from durable anti-slip plastic that is colourfast and resistant to weather conditions. The perimeter is covered with an impact-absorbing EPDM surface with anti-slip properties to improve safety during use. The steel frame with a durable surface finish is designed for year-round outdoor use, including in wet conditions.
